

**REMARKS**

Claims 1-22 are pending in this application. Claims 5, 10, 17-20, and 22 stand rejected and claims 9, 11, 12, and 21 are objected to. Applicant wishes to thank the Examiner for the indication of allowance of claims 1-4, 6-8, and 13-16, and the indication of allowable subject matter in claims 9, 11, 12, and 21. By this Amendment, claims 5, 9, 10, 11, 12, and 17-22 have been amended. The amendments made to the claims do not alter the scope of these claims, nor have these amendments been made to define over the prior art. Rather, the amendments to the claims have been made for cosmetic reasons to improve the form thereof. In light of the amendments and remarks set forth below, Applicant respectfully submits that each of the pending claims is in immediate condition for allowance.

The disclosure is objected to on page 24, lines 3-4 for a typographical error. Applicant has corrected the error denoted by the Examiner and respectfully requests that the objection to the specification be withdrawn.

Claims 5, 9, 11-12, 17, and 21-22 are objected to for various informalities. Applicant has amended those claims in accordance with the Examiner's comments. As such, Applicant respectfully requests reconsideration and withdrawal of this rejection.

Claims 5, 10, 17, 20, and 22 stand rejected under 35 U.S.C. § 112, first paragraph, as failing to comply with the enablement requirement. Applicant has reviewed the rejected and amended claims 5, 10, 17, and 20 in accordance with the rejection. In particular, Applicant has included apparatus for generating or steps for generating the claimed spreading code where no generating apparatus or generating step was previously set forth. As such, Applicant respectfully requests reconsideration and withdrawal of the rejection under 35 U.S.C. § 112, first paragraph.

Claims 18 and 19 stand rejected under 35 U.S.C. § 112, second paragraph, as being indefinite. Applicant has amended claims 18 and 19 to overcome the

Examiner's rejections. As such, Applicant respectfully requests reconsideration and withdrawal of the rejection of claims 18 and 19.

Applicant has responded to all of the rejections and objections recited in the Office Action. Reconsideration and a Notice of Allowance for all of the pending claims are therefore respectfully requested.

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to withdraw the outstanding rejection of the claims and to pass this application to issue.

If the Examiner believes an interview would be of assistance, the Examiner is welcome to contact the undersigned at the number listed below.

Dated: November 2, 2005

Respectfully submitted,

By

Ian R. Blum
